JUDICIAL.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Judicial),—dated 2nd January 1894.

READ:—

Memorandum No. 2067, dated 16th May 1893, from the Officiating Chief Engineer in Mysore, submitting, with reference to para 2 of Government Proceedings No. 16156-64, dated 22nd March 1893, the following return from the Executive Engineer, Bangalore Division, showing the results of the contracts entered into with raiyats for the restoration and repair of irrigation works during the half-year ending 30th September 1892.

No.	Names of Works.	Name and residence of individual to whom work has been given out on contract.	Remarks.
1	Restoring Harakoppa Tank., R. No. 178, Closepet.	Chik Ramanja of Channapatna.	Not altogether satisfactory.
2	Restoring Sivapur Tank, R. No. 8, Dodballapur.	Shanbhog Hanumanta Rao and Patel Kondaiya.	Very little work has been done, partly owing to the tank having filled shortly after execution of contract bond. Management of work has not been satisfactory and notice of cancelment of contract was issued last month.
3	Extending the sluice channel of Ramanmanakere.	Shanbhog Subbaiya.	Very unsatisfactory. Work should have been finished in September last as per terms of agreement, but I regret to say it has not yet been completed.
4	Constructing a dam across kodi nalla of Vadigenahalli Tank, R. No. 36, Devanhalli.	Dorasami Naidu of Devanhalli.	
5	Restoring the Halikunte.	Shanbhog Naranappa and Patel Channabasavegauda.	Very unsatisfactory. Notice of cancelment of contract issued last month.
6	Restoring the Devarhosahalli Tank, R. No. 208, Nelamangala.	Hutchvirappa, Patel and Channalingegauda of Bidalur.	Notwithstanding tank breached shortly after the contractors took up the work, very little has been done and contract had to be cancelled.
7	Restoring the Bagalur Tank, R. No. 62, Devanhalli.	Venkatrayappa, Gartiganhalli, Bangalore.	Satisfactory progress has been made with this work. Tank is reported to be full.
8	Restoring the Kodagihalli Tank, R. No. 170, Bangalore.	Patels Nanjundagauda and Venkatramanappa.	Progress satisfactory. Work will shortly be completed.
9	Restoring the Solur Tank, R. No. 150, Magadi.	Narasimgauda, Patel.	Satisfactory. Work will shortly be completed.
10	Restoring the Gorenbele Tank, R. No. 40, Nelamangala.	Shanbhog Sheshagiriyappa and Patel Balegauda of Gorenhalli	Work progressing fairly.
11	Restoring the Bilankote-Hosahalli Tank, R. No. 160, Nelamangala.	Patel Bilappa and Doddegauda.	Progress satisfactory.
12	Restoring the Mutsandra Tank, R. No. 189, Hoskote.	Muninanjaiya and Ramasami of Mutsandra, raiyats.	Management of work unsatisfactory. Notice of cancelment of contract sent to contractor.
13	Restoring the Linganhalli Tank, R. No. 62, Dodballapur.	Channabasappa of Rajankunte, raiyat.	Unsatisfactory. Work only recently commenced, yet contractor is already delaying execution of work on the plea that rates are insufficient.

No.	Names of Works.	Name and residence of individual to whom work has been given out on contract.	Remarks.
14	Repairing Aralmalligc Tank, R. No. 241, Dodballapur.	Puttanna, Dodballapur, a raiyat.	Work nearly completed. Satisfactory.
15	Repairing Channarayapatna Tank, R. No. 42, Devanhalli.	Gum Nanjaiya of Channapatna, raiyat.	Work commenced about three months ago, but up to date very little has been done.
16	Repairing Heggunda Tank, R. No. 118, Nelamangala.	Shanbhog Chikramanna and Patel Timmegauda.	Unsatisfactory. Notice of cancelment of contract served.
17	Repairing Bettakote Tank, R. No. 134, Devanhalli.	Adappa and Channappa of Devanhalli, raiyats.	Most unsatisfactory. Contract will shortly have to be cancelled.
18	Repairing Bonnimangala Tank, R. No. 60, Devanhalli.	Shanbhog Puttaiya and Patel Narnappa of Bannimangala.	Unsatisfactory. Notice of cancelment of contract issued last month.
19	Restoring Sogal Inam Tank, R. No. 106, Closepet.	Venkatramaiya of Sogal village, a raiyat.	Fairly satisfactory.

No. 10208-16—J. F. 177-92 DATED, BANGALORE, 2ND JANUARY 1894.

ORDER THEREON.—Recorded. It is observed that in 7 out of 19 cases in which contracts of irrigation works were given to local men interested in them, the progress made was on the whole fair and that as to the rest, the work done was unsatisfactory.

Annual Report on Vaccination in Mysore for 1891-92.

No. 12023—J. A. 959, DATED, 17TH JANUARY 1894.

REVIEW THEREON.—The total number of persons vaccinated during the period embraced in the report, *viz.* 15 months from 1st April 1891 to 31st June 1892, is 98,944, but for purposes of comparison the first 12 months will be taken. During this period, 77,916 persons were vaccinated against 69,419 in the previous year, showing thereby an increase of 8,497 or 12·24 per cent. The increase is chiefly due to the appointment of an additional vaccinator for each District and the temporary employment of some vaccinators in the Mysore District. The number of cases of primary vaccination was 76,858, of which 65,470 or 85·18 per cent were successful against 68,732 cases in the previous year, of which 83·18 per cent were successful. The number of re-vaccinated cases was 1,058 against 687. The cases of infantile vaccination numbered 12,139 against 10,404 in the previous year and 9,750 in 1889-90. 4,596 cases were vaccinated by Medical subordinates attached to Hospitals and Dispensaries against 5,040 in 1890-91.

The cost of the Department was Rs. 19,454 against Rs. 18,809, the increase being due to the appointment of additional vaccinators and the promotion of some of the Deputy Inspectors of Vaccination. The average cost of each successful case was however Re. 0—4—8·30 against Re. 0—5—2·08 in 1890-91. The cost of the Department is met from Provincial Funds; but the pay of the peons attached to the Deputy Inspectors is paid out of District Funds.

The working of the Department was handed over to the Revenue Officers at the beginning of the year 1889-90. Comparing the statistics of the 3 years during which it was under the new management with the statistics of the previous 3 years when it was under the control of the Medical Department, the following results are obtained :—

Years.	Primary Vaccination.		Re-vaccination.	
	Total Number.	Successful Cases.	Total Number.	No. of Successful Cases.
1886-87	101,649	79,200	971	733
1887-88	101,724	77,572	725	583
1888-89	101,952	79,810	850	526
Total.....	305,325	236,582	2,546	1,842
Average for a year.....	101,775	78,861	848	614
1889-90	72,587	60,710	720	547
1890-91	68,732	57,617	687	554
1891-92	76,858	65,470	1,058	872
Total.....	218,177	1,83,797	2,465	1,973
Average for a year.....	72,726	61,266	821	658
Decrease.....	29,049	17,595	27	...
Increase.....	...	...	...	44

The above shows a serious falling off during the period the Department was under the superintendence of Deputy Commissioners. The Senior Surgeon observes that "it has been stated or assumed that the figures for the last 3 years are more reliable than those of previous years and consequently there may be no serious falling off in the amount of real work performed" and that in the absence of any proof to support the statement he is unable to accept it. It is true that under a system by which vaccinators were bound to vaccinate 100 cases per mensem, there was much inducement to furnish incorrect returns, but in the absence of evidence that really incorrect returns were furnished, the Government are not prepared to accept the explanation offered for the falling off of the number and the Deputy Commissioners are requested to exert themselves and see that the work is pushed on more vigorously in future. At the same time, the Government wish to impress upon all itinerant Revenue officials, the duty of verifying the Registers kept by vaccinators and Inspectors of Vaccination.

There has been a large mortality from small-pox, the number of deaths being 6,267 against 3,941 in the previous year and the ratio per mille of population 1·29 against 0·81. The Government rely upon the energy and activity of the vaccinating staff to make vaccination more wide-spread. But as the Senior Surgeon has more than once been informed, Government are not prepared to legislate for making vaccination compulsory in Mysore.

The year witnessed the opening of the Vaccine Institute in Mysore on the 14th March 1892. During the short period (*i. e.*, 3½ months) this institution has been at work and with the small establishment available therefor, it was able to distribute paste sufficient for 26,061 cases at a cost of 4·8 pies per case or including the cost of establishment at 8·3 pies per case. 79 calves were inoculated, of which 12 were rejected for various reasons and 14 inoculated only for cultivation of vaccine. The paste obtained from the remaining 53 calves was partially distributed not only locally but also to the Civil and Military Station and parts of India and Burmah and partially used for the cultivation of vaccine.

Much difficulty is reported to have been experienced in procuring a sufficient number of calves and great care is said to have been exercised in their selection. Vaccination by paste has been more successful, the results showing a percentage of 90·45 per cent of successful cases against 82·27 for the previous 10 years under the old method.

PART I

REVENUE.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Revenue),—dated 3rd January 1894.

No. 10267-75—R. 1055, DATED, BANGALORE, 3RD JANUARY 1894.

ORDER.—In supersession of all orders now in force, the Government resolve to issue the following instructions for the guidance of Deputy Commissioners in regard to the appointment of Patels.

2. Generally there should be one Patel for each village recognized as such by the Survey Department, but where the village consisted, prior to the survey, of several villages or hamlets with separate Patels for each of them, the Patels of the several villages which have been clubbed together by the Survey Department, should be allowed to continue to be Patels of those villages or hamlets, and their heirs recognized as their successors. The Government believe that there will be no difficulty in identifying the lands of the several villages clubbed together, but should there be any difficulty in the matter, the Deputy Commissioners are authorized to assign suitable area for each village and hamlet, so that the Patels may be empowered to collect the revenue of those lands and be responsible for all duties connected with them. The Potagi should be divided between the Patels in the proportion of the revenues of the areas assigned or identified as belonging to those villages.

3. Where there are two Hakdars for a single village, the Deputy Commissioners may appoint two Patels, one for Revenue duties, and the other for Police duties and divide the Potagis in the proportion of their shares in the *Hak*. Where there are more than two Hakdars, two of them may be appointed as above directed, and the other Hakdars appointed when vacancies occur, so that all of them may have their turn in office. This rule is of course subject to the condition that the men appointed are fit to hold the office, reside in the village, and hold lands in them.

4. Effect should be given to the above instructions in future on the occurrence of vacancies, and not at once, while the present incumbents are in office, unless an appeal in regard to their appointment is pending disposal.

Chief Secretary.

No. 273—40, dated 23rd July 1893.

No. 10803—R. 1165, DATED, BANGALORE, 4TH JANUARY 1894.

ORDER THEREON.—With the letters read above, the Excise Commissioner has submitted statements showing the results of the sales of Toddy Vend Farms in the several Districts of the Province.

2. The statement given below shows an abstract of the results :—

Districts.	Government Revenue excluding Local Cess.	Inam Revenue excluding Local Cess.	Total.	Remarks.
Bangalore	1,91,014	10,090	2,01,104	In this statement the revenue of Government shops in Inam villages and that of jaggory ovens are included under Government. Fractions of a rupee below 8 as. are omitted.

READ :—

Letter from the Excise Commissioner in Mysore, No. 5770—367, dated 1st May 1893.

No. 10808-17—R. F. 17-92, DATED, BANGALORE, 6TH JANUARY 1894.

ORDER THEREON.—The Excise Commissioner submits proposals for the entertainment of Voltu Mutsaddis in all the Taluks in connection with the Excise Deptt. which has increased of late under the new Arrack and Toddy systems and brings to notice that Toddy Inspectors are now kept at Taluk Kasabas to prepare Amani accounts, &c., to the detriment of their legitimate work of inspecting Date Groves and Toddy Shops, &c. All the Deputy Commissioners are in favor of the proposal and the pay recommended ranges from Rs. 10 to 15 each, the total cost involved being Rs. 817 per mensem.

2. Government consider that it would be sufficient if the pay of the Mutsaddi is fixed at Rs. 10 in Taluks, the Excise revenue of which is below Rs. 50,000, and at Rs. 12 in Taluks, the Excise revenue of which is above Rs. 50,000, and accordingly sanction the proposal for the entertainment of the Mutsaddis as per accompanying statement, the total cost being Rs. 680 per mensem or Rs. 8,160 per annum.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Revenue),—dated 9th January 1894.

READ:—

Public Works Department Secretary's Endorsement No. 2625—537, dated 16th June 1893, transfering letter No. 1764 of the 8th idem from the Deputy Commissioner of the Kadur District, enquiring how the cost of lopping avenue trees should be paid and adjusted.

Adverting to Government Proceedings No. 5591-610—932-51, dated 20th December last' anent the re-transferring the duty of lopping avenue trees from the Public Works to the Revenue Department, I have the honor to request to be kindly informed as to from what funds the costs of lopping should be met originally, and how such amounts should be adjusted when the sale of the loppings does not fetch anything as is often the case in Malnad.

ALSO:—

Letter No. 2357, dated 26th October 1893, from the Comptroller to the Government of Mysore offering his opinion on the subject.

With reference to your docket No. *5121—541, dated 18th September 1893, I have the honor to state that the duty of lopping avenue trees having been transferred to the Revenue Department under orders of Government in Public Works Department Proceedings No. 5591-610—932-51, dated 20th December 1892, the receipts realised from the loppings, if not payable to persons entitled to them, should be credited under "Miscellaneous" subordinate to the major head "Land Revenue." Similary the expenditure if any, incurred might be paid for from the contingent allowances held by the Revenue Officers and debited to the same head of account

*Enclosure returned.

The Secretary to the Government of Mysore, Public Works Department, for information.

No. 11813-15—R. 1264, DATED, BANGALORE, 19TH JANUARY 1894.

ORDER.—During the Dewan's recent tour in the Malnad, some Coffee Planters complained that the profits of cardamom cultivation by the sides of the gorges and ravines between the rocks were getting more and more precarious owing to the ravages of an intangible insect, and that under such circumstances, the assessment of such lands at Coffee rates was fraught with great hardship. Government are of opinion that some relief is necessary in the case of estates cultivated with cardamom in exposed situations of excessive rain-fall. The Deputy Commissioners of Kadur and Hassan are requested to furnish a list of estates and the areas concerned which they consider are entitled to relief in the light of the above observations, on receipt of which the Superintendent of Revenue Survey will be instructed to report how far the assessment of cardamom lands may be reduced.

No. 11816-24—R. 1265, DATED, BANGALORE, 19TH JANUARY 1894.

ORDER.—During the Dewan's recent tour several Inamdars complained that the treatment of excess area discovered in their holdings, under Notification No. 125, dated 10th June 1891, was working with great hardship as the old measures were those of capacity and indefinite in their character, while the area determined by the Survey is by actual measurement. Government are of opinion that the complaint deserves investigation. The Deputy Commissioners of the Maidan Districts are requested to take up a few villages, say a dozen villages in each Taluk, of their Districts and report the average excess discovered in them by the survey in the whole village in all lands,—Inam, Government, occupied, unoccupied, cultivated, uncultivated, arable, and unarable,—over and above the area recorded in the old accounts, in view to its being seen whether the excess of 50 per cent now allowed in the case of minor Inams, sufficiently represents the difference due to the difference between the old and present standards of measurements. For instance, if the total area of a village according to the old accounts was 100 khandis, and the area of the village according to the survey be 2,000 acres, a khandi will have to be regarded as equal to 20 acres, and the difference between the area so calculated, and that calculated at the recognised rate of Krishnaraj Khandi, *i. e.*,

	A.	G.	Yds.
Dry ...	13	8	112
Wet ...	2	2	78

acres per khandi will have to be regarded as due to the difference between the old and new standards of measurements. The Government wish to know whether the 50 per cent allowance now made adequately covers the average difference between the old and new standards of measurements, calculated as above indicated.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Revenue),—dated 23rd January 1894.

READ THE FOLLOWING:—

Letter No. 312, dated 23rd September 1893, from the Secretary to the Mysore State Life Insurance Committee, submitting report on the working of the State Insurance Scheme during the year 1892-93.

Under the orders of the Managing Committee, I have the honor to submit the report on the working of the Mysore State Life Insurance Scheme for the official year ended 30th June 1893.

1. The scheme was put in hand only in December 1891 and during the seven months of the year 1891-92, 391 proposals were received, while during the 12 months of the year under report only 254 proposals were received. The progress during the year was therefore not quite satisfactory. There are still 2,850 old officials and about 28 officials newly entertained who have not insured their lives. In the case of old officials, the Committee are still of opinion that it is desirable to fix a period beyond which they should not be allowed to insure, and in regard to new officials, the Comptroller should be directed not to pass their pay till their lives are insured.

2. Under Rule 22 of the State Life Insurance, proposers for further insurance were not required to undergo fresh medical examination unless more than five years have elapsed since the first examination. This was found to be risky and the Committee was of opinion that such proposers should produce at least an ordinary certificate of good health. The Government has been moved to accord sanction to the amendment of Rule 22 accordingly.

3. During the year under report there were 343 proposals to be dealt with as shown below:—

87 proposals pending disposal at the close of the last year.

2 rejected proposals of last year re-opened under orders of the President.

254 actually received during the year, 55 from new officials, 199 from old officials including 22 cases of further insurance.

343 Total.

Of the above 343 proposals, 69 were rejected, 260 were accepted and policies issued and 14 were pending at the close of the year. The following statement will show particulars of proposals accepted and rejected:—

Number of Proposals accepted.					Number of Proposals rejected.					
From old officials.		From new officials			From old officials.			From new officials.		
Number accepted at ordinary rates.	Number accepted for reduced bonus.	Number accepted at ordinary rates.	Number accepted for reduced bonus.	Total No. accepted. One of the policies issued last year in favor of a Dafadar of Savar establishment on his consolidated pay was cancelled and a fresh policy issued in lieu thereof on his pay, minus, charges incurred for maintaining horse, &c. Thus there were in all 261 policies issued during the year. The bonus payable on

these 261 policies amounted to Rs. 3,10,303, while the monthly premium recoverable on them was Rs. 1,260. *Vide* Appendix I.

4. Appendix II will exhibit the state of the Fund for the year. The collection amounted to Rs. 29,679 including the opening balance and the interest accrued for the year at Savings Bank rate of 3½ per cent and the expenditure on account of working charges to Rs. 1,896. The net result for the year was thus a balance of Rs. 27,783 in favor of the Fund.

Interest was charged on only Rs. 5,000 which is the maximum amount of deposit that can bear interest under the Savings Bank Rules. If interest had been allowed on the total amount of balance, it would have amounted to Rs. 470 instead of Rs. 172 now credited. The question of allowing interest on the full balance has been referred to Government for orders in this Office No. 952, dated 23rd June 1893.

5. Appendix III will exhibit the operation of the scheme according to different ages.

6. Seven policies (inclusive of the one referred to in para 3) amounting in all to Rs. 4,550 were cancelled during the year owing to default on the part of the holders to receive them from the Treasury within the prescribed time of one month and to refusal by them to produce fresh Medical certificate according to rules. Five of these were of last year and two of this year. The monthly premium of these policies was Rs. 17—12—0.

7. There were reported during the year the following three casualties among the insured. The bonus due on their policies amounting to Rs. 5,314 has not been paid during the year pending the production of necessary Letters of Administration by the legal heirs of the deceased. The premium actually recovered from the deceased policy-holders amounted to only Rs. 190 :—

No.	Name of the deceased.	Number of policy.	Age at the time of death.			Amount of premium recovered.			Amount of bonus payable.

	Total.....	..	...	...	..	190	0	0	5,314

8. Exclusive of the policies cancelled and of those held by the deceased there are at present 481 policies on the whole, yielding a monthly premium of Rs. 2,747—12— 0 against a total bonus of Rs. 6,41,964 which is equal to 19·4 times the value of the yearly collection. Two of the insured have been dismissed from service and another has been thrown out on account of reduction in the Toddy Establishment, Tumkur District. These cases will be dealt with under Rule 26 of the State Life Insurance.

9. The Committee held 4 Meetings during the year to discuss doubtful points in connection with the disposal of proposals and the business of the scheme.

10. The accounts of the Fund for the year have been duly audited by Mr. H. Eagles, Assistant Comptroller, and Mr. Govindaraj Mudaliar, one of the Accountants of the Public Works Examiner's Office. The result of the examination has been very satisfactory. A copy of the Auditor's report is submitted for the information of the Government. *Vide* Appendix IV.

APPENDIX IV.

Letter, dated 17th August 1893, from Messrs. H. Eagles, Assistant Comptroller, and C. Govindaraja Madaliar, Accountant, Public Works Examiner's Office, to the Secretary to the Life Insurance Committee.

In accordance with resolution V passed at the quarterly meeting of the Mysore State Life Insurance Committee held on 3rd June 1893, communicated to the Comptroller and Examiner, Public Works Accounts, under cover of your Nos. 4 and 5, dated 4th ultimo and letter No. 2005 of 5th idem addressed to you by the Examiner, Public Works Accounts, we have the honor to report that we have carefully examined all the books* maintained in the Mysore State Insurance Office and found that they have been properly kept.

*No. 1—General Register of Policies issued (from Nos. 231 to 491).
No. 2—Personal Ledgers of Premium collected.
No. 3—Alphabetical Ledger of the Insured.
No. 4—Register of Insured according to age.
No. 5—Register of outstanding premiums.
No. 6—Abstract Register of Receipts.
No. 7—Register of Proposals received.
No. 8—Cash Book.

2. The following defects have however been discovered. The former is, we are informed, under correspondence and the latter should be adjusted as early as possible:—

(1) Policies Nos. 252 and 442 were delivered to the insured although the first premiums were paid by them after the lapse of a month from the date of receipt of the policies at the Treasury.

(2) From the Register of outstanding premium it was observed that the sum of Re. 0—2—3 was recovered as interest instead of Re. 0—1—10 the actual amount due.

3. The stock of stationery and the office furniture have also been examined and found correct.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Revenue),—dated 23rd January 1894.

4. In conclusion we have much pleasure in stating that M. R. Seshagiri Rao, the Manager of the Insurance Office, has helped us materially in our work of auditing the accounts and he is to be congratulated on the satisfactory manner in which the work of the office was conducted during the year of audit.

No. 12029-38—R. F. 101-93, dated, Bangalore, 23rd January 1894.

Order thereon.—During the year under review there were 254 proposals for insurance against 391 during the 7 months of the year 1891-92.

2. Including 87 proposals which were pending disposal at the close of the previous year, and two rejected proposals which were re-opened for consideration, there were in all 343 proposals to be dealt with during the year. Of these, 69 were rejected, 260 were accepted and policies issued, and 14 were pending disposal at the close of the year under review.

3. Three of the insured died during the year. The bonus payable to them was Rs. 5,314, while the premia collected on their policies amounted to Rs. 190 only.

4. There were altogether 481 policies current on the last day of the year, yielding a monthly income of Rs. 2,747—12—0 against a liability of Rs. 5,41,964 payable in the shape of bonus. The risk is thus 19·4 times the annual income.

5. The total realizations amounted to Rs. 29,679 including the opening balance and the interest which accrued for the year; deducting from this the establishment and other cost incidental to the working of the scheme amounting to Rs. 1,896, there was at the end of the year a net balance of Rs. 27,783 in favor of the Fund. The question of allowing interest at Savings Bank rates on deposits of the Committee's funds is under the consideration of the Government. In the meantime the Committee may consider the propriety of investing a portion of its assets in Government of India Promissory Notes.

6. There are still 2,850 old officials and 28 new officials who have not insured their lives. In the case of old officials the Committee reiterate their opinion that it is desirable to fix a date beyond which they should not be allowed the benefit of the rules. Having regard to the great falling off, both relative and absolute, in the number of proposals during the year, Government are pleased to re-consider their orders passed in Proceedings No. 11963—203, dated 4th January 1893, and accept the recommendation of the Committee. A notification to the effect that no proposals for insurance by old servants will be entertained after 30th June 1894, will be published in the Gazette and Deputy Commissioners and Heads of Departments are requested to see that the same is brought to the notice of all the subordinate officers of their establishments. With regard to new officials the Comptroller will be instructed not to pass their pay bills till their lives are insured in accordance with the rules.

7. Separate orders have been passed in regard to the production of an ordinary certificate of good health in the case of proposals for further insurance.

8. The thanks of Government are due to the President and Members of the Committee for the zealous and efficient discharge of their honorary duties.

PART I

REVENUE-FOREST.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Revenue-Forest),—dated 5th January 1894.

READ :—

The following letter from the Inspector General of Forests in Mysore, No 187—13, dated 20th July 1893, regarding certain Railway Sleepers manufactured at Lakvalli.

With reference to Government Proceedings No. 11803-4—R. F. 238-92, dated 4th January last and subsequent communications as per margin, I have the honor to report on the several points noted in the above Proceedings and also on the final supply of sleepers by Siddaboyi.

No. 17055—R. F. 238-92, dated 14th April 1893, from Chief Secretary.
No. 4105—291, dated 28th April 1893, to Chief Secretary.
No. 18713—R. F. 238-92, dated 11th May, from Chief Secretary.
No. 5—R. F. 238-92, dated 17th June, from Chief Secretary.

2. Within the 31st of October 1892, the contractor delivered to the Railway 35,391 sleepers or 1,342 sleepers short of the total number required up to that date. He had also some sleepers on hand at the end of the month for further delivery. The Forest Officer reported the fact through the Deputy Commissioner and recommended further time till the end of November 1892 being given him. While the question was pending, I received a letter from Mr. Groves, the Railway Secretary, in the first week of December giving cover to Siddaboyi's petition and stating that he was prepared to take the 3,267 sleepers he had cut down from the 10,000 additional sleepers as referred to in the latter part of paragraph 2 of my letter read in the Government Proceedings under reply. The contractor was accordingly directed to prepare and deliver the above sleepers. In the meantime there was an urgency for 5 inch sleepers for the Ghaut portion of the Hindupur Line and the same was ordered to be got up to a possible extent within a space of 20 days to supplement the supply of such sleepers which were under manufacture at Mysore and also 4,000—$4\frac{1}{2}$ inch sleepers in addition by end of January 1893 as required by the Railway. Thus under all the above requisitions 45,063 sleepers (43,659 of $4\frac{1}{2}$ inches and 1,404 of 5 inches thick) were in all prepared by the contractor. Of this number the Railway accepted 42,756 sleepers (41,433 of $4\frac{1}{2}$ inches and 1,323 of 5 inches). The rejection amounted to 2,307 sleepers, including 1,211 discarded and left behind at Lakvalli by the contractor himself. These sleepers have been made over by him to the Forest Department free of cost, the same being within 10 per cent as provided in the agreement.

3. The cost of collection, preparation and delivery of above sleepers at Birur at Rs. 2 per approved sleeper, amounts to Rs. 85,594—11—0 inclusive of Rs. 82—11—0 proposed to be paid to the contractor at one anna extra per 5 inch sleeper. The contractor has been paid this sum excepting the above Rs. 82—11—0. The advance of Rs 80,000 sanctioned by Government for the work in the Proceedings quoted on the margin, thus falls short of Rs. 5,594—11—0, for which a further reference will be made on receipt of Deputy Commissioner's application.

No. 12052-3—205, dated 2nd February 1891.
No. 2860-1—50, dated 15th May 1892.

4. As regards the net revenue which accrued from the supply of above sleepers, I beg to state that it is 8 annas per $4\frac{1}{2}$ inch sleeper and 10 annas per 5 inch sleeper after paying the contractor and this represents the value of the kind of wood used, *viz.*, branch wood and end pieces of teak trees cut for Depôt collections in past years and lying scattered in the State and District Forests. In addition to the above we can realize some revenue from waste which is being utilized in various ways. Such waste as could not be turned to better account and other selected pieces are being disposed of in the manner stated in para 5

of my letter above referred to. 950 rejected sleepers and about 4,600 side slabs have already realized Rs. 2,416. At the recent auction sale held at Lakvalli last month, 6 lots of wastage, each lot consisting of 100 pieces were sold for Rs. 84. It is proposed to effect a clearance of this stuff by holding monthly auction sales and the matter is receiving attention. The revenue derived from 42,756 sleepers supplied to the Railway amounts to Rs. 21,543—6—0.

5. As to the quantity of wood removed by the sleeper contractor, the latest return furnished by the District Forest Officer with his docket No. 789, dated 12th ultimo, shows that 20,170 marked pieces containing 124,391 cubic feet were brought out of Forest up to April last and 19,804 pieces thereof measuring 121,996 cubic feet were worked up for 45,063 sleepers representing a total of 67,828 cubic feet. In other words the preparation of one sleeper of $1\frac{1}{2}$ cubic foot involved wastage of nearly $1\frac{1}{4}$ cubic foot which is more than 80 per cent and this will speak for itself as to the description of wood used for the purpose. It cannot be presumed that the contractor wasted away wood, for, it was to his own benefit to have sawn as many good sleepers as he could out of a log as the waste, for the carting of which it must have cost him between 3 and 4 annas a cubic foot, was entirely to go to Government. For this kind of job, a contractor on terms prevailing at Mysore could hardly have been secured. If one had come forward, he would have offered to pay the Forest Department according to cubic contents of a prepared sleeper and demanded from the Railway a higher rate than Rs. 2—8—0 now paid by it. Siddaboyi for the 2 rupees he got per approved sleeper had to bring wood from jungles wherever delivered to him, manufacture sleepers at Lakvalli, an out of the way place, owing to which he proved himself unable to supply the stipulated number, and cart such sleepers to Birur, a distance of about 26 miles, for delivery on the Railway line. He had to import sawyers from Hubli, Dharwar, Gudug, Honnali, Channagiri and other places, and one set of sawyers could turn out but 3 sleepers a day. He had to pay a deposit of Rs. 2,000 and work with his capital until he was paid for sleepers on production of Railway receipt. He had to cart in almost double the quantity of wood required for producing 45,063 sleepers which he manufactured. Taking all the above into consideration I doubt whether Siddaboyi has been able to clear the same rate of profit as the sleeper contractors at Mysore.

6. The unutilized pieces in the sleeper yard at Lakvalli will be disposed of in the best way possible either by removing them to Tarikere if they are fit for sleepers or selling them on the spot for what they would fetch. It is reported that there are 636 pieces marked and still left in the jungles. Needful instructions have been issued regarding the same.

7. I would again briefly recapitulate the nature of Siddaboyi's contract and the results thereof for the information of Government with reference to para 2 of their Proceedings No. 2860-1—50, dated 19th May 1892 and paras 2, 3 and 4 of Proceedings No. 11803-4—R. F. 238-92, dated 4th January 1893, under reply.

I. Contractor Siddaboyi engaged (1) to remove to Lakvalli the selected and marked pieces of branch wood and end pieces of teak trees cut for Depôt collection in past years wherever they may be lying in the Lakvalli State and District Forests; (2) to manufacture therefrom 60,000 sleepers by end of January 1892, (3) to cart to and deliver such sleepers at the Railway Goods-yard at Birur, (4) and to receive Rs. 2 per sleeper accepted and taken over by the Hindupur Railway.

II. The wastage, whatever it may be, belongs to Government and the contractor is entitled to no payment therefor, or for sleepers rejected within 10 per cent and which he is bound to make over. For rejection over 10 per cent, the contractor is to get 8 annas per sleeper.

III. The contractor was supplied with 124,391 cubic feet in 20,170 pieces. He utilized 121,996 cubic feet in 19,804 pieces and manufactured therefrom 43,659 sleepers of 4½ inches thick and 1,404 of 5 inches. The Railway passed and took 41,433 sleepers of 4½ inches and 1,323 of 5 inches. The number rejected amounted to 2,307 sleepers.

IV. The cost paid to contractor for the above approved sleepers amounted to Rs. 85,594—11—0. Nothing was paid for rejected sleepers, being within 10 per cent.

V. The revenue results of the transaction are:—Out of Rs. 2—8—0 got from the Railway per sleeper 4½ inches thick and Rs. 2—11—0 per sleeper of 5 inches, the Forest Department paid away Rs. 2—0—0 and Rs. 2—1—0 respectively to the contractor for the cost of manufacture and transport and retained annas 8 and 10 respectively for value of wood. The revenue which thus accrued from 42,756 sleepers amounted to Rs. 21,543—6—0. From a portion of rejected sleepers and waste, a sum of Rs. 2,500 has been realized up to date. The scraps of wood used for sleepers were unsaleable at the Depôt and were consequently allowed to decay in the Forests. The utilization of such pieces for sleepers was arranged for and no felling of wood was permitted. Under the circumstances no value was specifically fixed for such wood, the Department being satisfied with 8 and 10 annas it got per sleeper in addition to what it expects from wastage which amounted to 80 per cent. The terms on which contract was given to Siddaboyi were not unfavorable to Government, though the Railway could have fairly paid the Forest Department Rs. 2—12—0 per 4½ inch sleeper and Rs. 3 per 5 inch delivered at the Birur terminus. On this point, I beg to invite the attention of Government to para 8 of my letter, dated 23rd ultimo, to the Railway Secretary, copy whereof was forwarded with my letter No. 4769—333 of the 26th idem to your address. Even now the Government may direct such adjustment if they think fit.

8. In conclusion, I beg to apologise for the delay which was unavoidable in reporting on the subject as some more details then available in my Office had to be obtained from the District and which were furnished to me on the return of the Assistant Conservator Mr. Ramaswami Iyer from his privilege leave.

No. 10820-2—R. F. 238-92, DATED, BANGALORE, 5TH JANUARY 1894.

LOCAL BOARDS BRANCH—MUNICIPAL.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Local Boards Branch—Municipal),—dated 15th January 1894.

READ THE FOLLOWING LETTER :—

From the Comptroller to the Government of Mysore, to the Chief Secretary to the Dewan of Mysore, No. 994, dated 29th November 1893.

With reference to Government Proceedings No. 7877—L. F. 397-92, dated 13th November 1893, requesting to submit to Government a form of the bill which I wish to have from Deputy Commissioners in regard to disbursements below Rs. 10, I have the honor to forward forms of bills which have to be submitted to this Office for audit whether the amount of such bills is below or above ten rupees.

1. Establishment.—In this form, payments made to Permanent and Temporary Establishments by way of salaries, allowances and commission should be entered under their respective heads. In this case the bill itself, if certified by the Disbursing Officer, will be taken as a sufficient voucher.

2. Contingencies.—All items charged under this head have to be classified and entered according to enclosed form of bill. This bill should be submitted for audit duly certified by the Disbursing Officer whether the total amount be below or above ten rupees. Vouchers in support of individual items in this bill need not be furnished to this Office, if the amount of such items be below ten rupees.

3. Public Works.—Two forms of extract of measurement Books are herewith sent together with a form of contractor's receipt; whether the total amount of each bill is below or above ten rupees, the bill must be forwarded to this Office for audit, together with the corresponding extract from Measurement Book and contractor's receipt pertaining thereto. If the amount of the contractor's receipt be below ten rupees, it need not be sent for audit, but a certificate of the Disbursing Officer to the effect that contractor's receipt has been taken and filed in his office, should be attached to the bill.

The above procedure has been hitherto adopted without question in all the Districts except Hassan.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Local Boards Branch—Municipal),—dated 16th January 1894.

No. 11107-S—L. F. 116-93, DATED, BANGALORE, 16TH JANUARY 1894.

ORDER.—Having regard to the growing importance of Kadur after the introduction of the Railway and the need for effecting various sanitary improvements, Government are pleased to make over their moiety of Mohatarfa to the Municipal Board with effect from 1893-94.

T. ANANDA ROW,
Chief Secretary.

To—The Deputy Commissioner, Kadur District.
The Comptroller to the Government of Mysore.

READ:—

Letter, dated 13th December 1893, No. 491, from the Deputy Commissioner of the Tumkur District, submitting with reference to Docket, dated 10th November 1893, No. 7698—L. F. 119-93, the Budget Estimates of the Municipality of Nonavinkere for the year 1893-94.

No. 11939-44—L. F. 119-93, DATED, BANGALORE, 24TH JANUARY 1894.

ORDER THEREON.—Government observe that the Budget Estimates of the Municipality for 1892-93 were sanctioned in Government Proceedings, dated 4th February 1893, No. 13493-S—L. F. 245-92, but the sanctioned figures have not been entered in the columns provided for the purpose in the Budget Statement No. I nor has any opening balance been entered. Government presume that the Municipality was put in working order only from the commencement of the current Official year and that this accounts for the above omissions. The Deputy Commissioner will however report upon the matter. Pending information, the Estimates for 1892-93 will be entered in the Budget for purposes of comparison.

RECEIPTS.

2. The estimated receipts of the Municipality for 1893-94 amount to Rs. 495, the same as that sanctioned for 1892-93 as shown in the margin and call for no remark.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Local Boards Branch—Municipal),—dated 24th January 1894.

4. *IV. Conservancy.*—(*a*) *Establishment.*—The increase under this head is due to the proposal made by the Municipal Board to raise the salary of the Peon from Rs. 4 to Rs. 5, and of each of the 3 Sweepers from Rs. 3 to Rs. 4 per mensem. The increased provision which is in accordance with Government Proceedings, dated 24th January 1894, No. 11937-8—L. F. 119-93, is passed.

5. *XI. Miscellaneous.*—The new provision made under "(*c*) Cattle pounds" is probably due to the remuneration payable to the Pound-keeper in the Municipality, but the necessity for the new item of Rs. 12 under "(*b*) Other items" is not clear. The Deputy Commissioner is requested to explain the matter. Meanwhile the estimate will not be disturbed.

6. Subject to the explanation called for in the foregoing paras, the Budget Estimates of the Nonavinkere Municipality will stand as shown in the margin.

READ:—

Letter from the Comptroller, dated 7th April 1893, No. 5107, submitting a report on the audit of accounts of the Bangalore City Municipality for 1891-92.

No. 1201-5—L. F. 413-92, DATED, BANGALORE, 25TH JANUARY 1894.

ORDER THEREON.—The report received with the above is communicated to the President of the Bangalore City Municipality.

2. The Auditor brings to notice that no allowance for dryage or tare is made on Tobacco issued from the bonded warehouse as was the practice hitherto and suggests a periodical examination to ascertain the average dryage of Tobacco. The Deputy Commissioner is requested to report on this point.

3. The President is requested to see that the collection accounts are written on durable paper.

4. Each Shanbhog making collections should keep a separate account of his collections and not a joint Chitta as is now done.

5. The Auditor brings to notice that the City Amildar discontinued the practice of daily remittance to the Head Office by the Shanbhogs of collections made during the day. This is opposed to the orders of Government. The President is requested to take notice of the matter.

6. The sale of miscellaneous articles, such as unserviceable articles, should be conducted in future by the Vice-President or some other responsible Officer instead of by the Market Sergeant as at present.

7. The President is requested to report the authority under which the City Amildar occupied a portion of the Fort barracks and why its rent is credited to the Municipality, when the building is the property of Government. The procedure adopted by the Amildar of paying a portion of the rent and accounting for the remainder as money spent on repairs is irregular. The balance of the rent due (Rs. 17—14—3) should be recovered from him. He may prefer a separate claim for cost of repairs due to him supported by proper accounts and vouchers.

8. Statement No. V of the Auditor is herewith forwarded and the President is requested to explain the absence of voucher in each case and why sums connected with the City Improvements have been shown under the ordinary Municipal funds. The President should state whether payments have been really made in each case and give as much detail of each payment as possible and submit a statement of receipts and charges incurred in connection with Western and Northern Extensions and included as ordinary items of Municipal expenditure, in view to the necessary adjustments being made.

9. Statement No. VI appended to the Auditor's report shows that several sums were spent and charged to inappropriate heads. The necessary alterations in the classification should be made.

10. Statement No. VII showing items held in deposit as they stood on 23rd February 1893 is forwarded to the President with a request that he will take steps in view to the early adjustment of the items.

11. As directed from time to time by Government, the undisbursed salaries of Municipal servants should be adjusted by short drawals in the following month instead of their being brought under deposit.

12. It should be explained without delay why some deposits are kept with the Amildar, some in Savings Bank and some in the Taluk Treasury instead of the

whole sum being remmitted to the Treasury. All deposits should be invariably remitted to the Treasury as soon as they are made unless the Municipality has been specially authorized to invest any particular sum in the Savings Bank.

13. Statement No. IX showing objectionable items is forwarded to the President of the Municipality for recovery or explanation of each of the items therein referred to.

14. The other points noticed by the Auditor call for no remarks as the defects therein pointed out will be remedied by the present system of regular audit introduced from July 1892, and the introduction of revised forms and accounts now under the consideration of Government.

15. Subjoined is the abstract of receipts and charges including the items held under objection :—

T. ANANDA ROW,
Chief Secretary.

To—The President of the Bangalore City Municipality.
The Comptroller to the Government of Mysore.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Local Boards Branch—Municipal),—dated 30th January 1894.

READ:—

Letter, dated 9th September 1893, No. 221, from the President of the Mysore City Municipality, submitting the explanation called for in Government Proceedings dated 22nd July and 3rd August 1893, Nos. 1379-85—L. F. 8-93 and 1999-2000—L. F. 418-92, respectively *in regard to the Budget Estimates of the City Municipality for 1893-94 and transmitting* the supplemental Budget Estimates for the year providing funds for increase of establishments sanctioned in the latter Proceedings.

No. 12303-5—L. F. 8-93, DATED, BANGALORE, 30TH JANUARY 1894.

ORDER THEREON.—*I. Octroi.*—Owing to the transfer of Government share of Octroi duty on Sayer articles sanctioned in Government Proceedings dated 6th October 1893, Camp No. 27-32, the estimate under this head will be raised by Rs. 1,250.

(2). The income as now revised amounts to Rs. 1,06,148. Adding to this the actual balance of Rs. 25,259 in favor of the Municipality on 1st July 1893, the sum available for expenditure during 1893-94 is Rs. 1,31,407. In addition to Rs. 1,04,356 sanctioned in Government Proceedings dated 22nd July 1893, No. 1379-85—L. F. 8-93, the President proposes an additional expenditure of Rs. 4,496 as shown below, leaving a balance of Rs. 22,555 at the end of the year:—

stand. Although in accordance with the wishes of Government, the Police Constables have been directed by the head of their Departments to note down bad lighting, the President considers that the inspection of lighting by special detectives at uncertain places and uncertain hours is desirable as producing a deterrent effect upon the mind of the contractor and his lighters and recommends the appointment of 2 Inspectors on Rs. 10 each and proposes to utilize their services during the day in bringing to book carriages, carts and animals which are liable to be taxed. Before passing final orders on the proposed employment of 2 Inspectors, the President is requested to submit the opinion of the Municipal Board as called for in Para 30 of Government Proceedings, dated 9th January 1893, No. 9861-64—L. F. 242-92. Meanwhile the provision made will be struck out and the estimate reduced to Rs. 5,760.

(6). *VIII. Public Works.*—Under the circumstances now explained, the provision made for compensation will be raised from Rs. 3,000 to Rs. 5,000.

(7). *IX. Charitable Grants—Indigenous Hospital.*—In the original Budget, a provision of Rs. 516 exists on account of one-third cost of the institution chargeable to the Municipal Funds of Mysore, but according to the scale of charges recently sanctioned in Government Proceedings, dated 7th October 1893, Camp No. D. 4-5—L. F. 79-92, the amount which the Municipality has to contribute is Rs. 744, which will be adopted in the Budget.

(8). *XI. Miscellaneous.*—For reasons explained by the President, the provision already sanctioned for Law charges will be raised tentatively from Rs. 50 to Rs. 300 for 1893-94.

(9). *Item* 22. *Kukarhalli Musafarkhana.*—As there are 4 watchers employed by the Civil Court to look after the building and the distrained property therein secured and it is not available or required for travellers, the provision made for the pay of Kamati or watcher in the Budget will be reduced to Rs. 49. His services should be dispensed with on 1st February 1894.

(12). *Item.* 27.—A sum of Rs. 1,000 has been newly entered in accordance with the resolution of the Municipal Board, dated 29th July 1893, for the purchase of iron covers to replace wooden ones over sewerage manholes in the fort and of a dozen iron gas (cowl) pipes to take away bad stench issuing from drains in important localities. The provision is approved.

(13). The other items included in the supplemental Budget have been sanctioned in Government Proceedings, dated 23rd August 1893, and call for no remarks.

(14). The estimated receipts and expenditure of the Mysore City Municipality for 1893-94 as now revised will stand as shown hereunder :—

4. In regard to items amounting to Rs. 3,336—15—8 with respect to which vouchers were not furnished, vouchers have been found out in regard to items amounting to Rs. 2,356. The explanations of the President in regard to the other items are accepted. It is however noted that the amounts entered in vouchers for the marginally noted items amount to Rs. 882, while the payment made thereon is given as Rs. 885—13—0 or Rs. 3—13—0, more. The necessity or the purpose for which excess payment was made requires explanation.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Local Boards Branch—Municipal),—dated 31st January 1894.

READ :—

Letter dated 9th December 1893, No. 230, from the President of the Bangalore City Municipality, submitting a Memorandum on the subject of the transfer of the Suburban roads within the Municipal limits to the Municipal Board and requesting (1) that the expenditure incurred on the roads from Municipal Funds in excess of the grant made by Government, *viz.*, Rs. 23,403 may be paid from Provincial Funds and (2) that the annual grant may be raised from the next year to Rs. 7,000.

No. 12602-4—L. F. 189-93, DATED, BANGALORE, 31ST JANUARY 1894.

ORDER THEREON.—Government observe that the grant-in-aid for the maintenance of the Suburban roads was made from Provincial roads as a tentative measure and the Municipality has no right whatever to claim any contribution from Provincial revenues. If owing to the increase of traffic on town roads, consequent on the opening of Railway and the increase in the number of vehicles in the City, more money be required to maintain the roads efficiently the Municipality must find funds by developing its sources of revenue. As this however cannot be done till the existing Municipal Regulation is revised Government are willing to increase the mileage grant for the Suburban roads to Rs. 400 a mile calculated upon the actual length of roads which the Municipality is required to maintain, but it should be distinctly understood that the allowance which is now increased to Rs. 400 a mile as a help to the Municipality will be stopped altogether as soon as the Municipal Bill now under consideration is passed.

The additional grant to the final Public Works Department Budget for 1893-94, rendered necessary by the increased mileage allowance above sanctioned will be given in due course

LOCAL BOARDS BRANCH—LOCAL FUNDS.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Local Boards Branch—District Funds),—dated 11th January 1894.

READ:—

Docket, dated 9th August 1893, No. 504—123, from the Deputy Commissioner of the Kolar District, submitting for sanction 2 lists of incomplete works of the past year requiring completion during 1893-94 and a re-appropriation statement providing funds for the same.

No. 10579-81—L. F. 180-93, DATED, BANGALORE, 11TH JANUARY 1894.

ORDER THEREON.—The lists of incomplete works to be executed by Public Works Department, amounting to Rs. 9,814 as shown in the margin are sanctioned. The excess cost of Rs. 2,059 over the provision of Rs. 7,755 made in the current year's District Fund Budget will, as proposed, be met from the allotment of Rs. 10,000 sanctioned for the bridge on Goribidnur-Mulbagal Road, which has been since given up. But the proposed retention under "Reserve" the balance of Rs. 7,941 to meet unforeseen works, which does not appear to have been sanctioned by the Local Fund Board will be reduced to Rs. 2,941 and on the understanding that no original work should be undertaken therefrom without the sanction of the Local Fund Board.

GROUNDS OF PROPOSITION.

A.—The project has since been given up, hence the grant is unnecessary.

B.—The appropriations required under this head for incomplete Minor and Major works for which latter, provision was not made in the current year's Budget, amount to Rs. 5,802, as per statements hereto attached. Deducting from this the Reserve grant of Rs. 1,500 sanctioned already, a balance of Rs. 4,302 is found still wanting. This amount may be kindly appropriated from the proposed increase of Rs. 7,500, reserving Rs. 3,198 for unforeseen works during the remaining period of the current year.

C.—The appropriations required for incomplete works as per list attached amount to Rs. 896. Deducting from this Rs. 500 provided in Budget, a balance of Rs. 396 is still found wanting. This amount may kindly be appropriated from the proposed increase of Rs. 500, the reserving the balance of Rs. 104 for unforeseen works during the remaining part of the year.

D.—The amount required for incomplete works of the last year (both Minor and Major) is Rs. 3,030 as per List attached. After appropriating this sum [illegible] for unforeseen works during the remaining part of the

(6.) Letter from the Deputy Commissioner of Kadur, dated 29th April 1893, No. 333, requesting the grant of an additional loan of Rs. 25,000 on condition of its repayment by annual instalments by Rs. 1,000, the rate of interest being reduced from 4 to 3 per cent.

(7.) Letter, dated 12th April 1893, No. 376, from the Sanitary Engineer, stating that he has not as yet had time to revise the estimate and that it requires considerable revision, which would be shortly taken on hand.

READ :—

Letter, dated 22nd August 1893, No. 37, from the Deputy Commissioner of the Kadur District, submitting an extract from the Proceedings of the Chikmagalur Municipal Board, dated 14th August 1893, agreeing to pay interest at 4 per cent per annum and requesting the extension of the period for the liquidation of the debt from 40 to 60 years, considering that it is not the fault of the Municipality that the debt has increased enormously.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Local Boards Branch—Local Funds),— dated 22nd January 1894.

2. Letter from the Comptroller, dated 5th December 1893, No. 3215, stating, with reference to Government Proceedings, dated 21st November 1893, No. 9367-9—199 L. 46, that an expenditure of Rs. 64,346—10—9 was incurred up to August 1893 on the water-supply project and requesting to be informed whether the excess of Rs. 14,346—10—9 (over the loan of Rs. 40,000 from Local Funds General plus the provision of Rs. 10.000 made in the Chikmagalur Municipal Budget) may be admitted and if so, whether from Provincial Funds or Municipal Funds.

No. 11751-3—L. F. 244-92, DATED, BANGALORE, 22ND JANUARY 1894.

ORDER THEREON.—Under the circumstances stated in the papers read above, Government are pleased to sanction the estimate submitted with the Chief Engineer's letter, dated 22nd October 1892, No. 4671.

2. The Chief Engineer's attention is drawn to the remarks contained in the Deputy Commissioner's letter, dated 2nd February 1893, No. 245, and he is requested to reduce the cost of the work as much as possible.

3. Government are also pleased to sanction a further loan of Rs. 26,000 to the Municipality from the Local Funds General with interest at 4 per cent per annum. The Municipality is requested to arrange for a payment of 5 per cent of the total loan (Rs. 66,000), *i. e.*, Rs. 3,300 annually, of which, the balance after deducting interest due at 4 per cent, will be credited towards the Principal. By this arrangement the whole debt of Rs. 66,000 with interest will be cleared off in 42 years.

4. Seeing that the Government have made over to the Municipality their share of the Octroi duty on sayer articles, it is hoped that the Municipality will not find it difficult to make an annual payment of Rs. 3,300.

5. Government trust that there will be no need for again increasing the estimated cost of the work.

No. 12095-6—L. F. 127-93, DATED, BANGALORE, 26TH JANUARY 1894.

ORDER THEREON.—Government are pleased to sanction the execution of the works included in the list received with the above with the exception of the following:—

(1) *Formation of a Park around the Public offices at Kelagote outside the Municipal limits of Chitaldroog at a cost of Rs. 500, of which Rs. 100 are to be met as Municipal contribution.* With reference to this, the Deputy Commissioner is requested to state whether grounds which are to be formed into a park do not form part of the compound of the Public office buildings; if so, the cost of the work should be met from Provincial Funds and no expenditure can be incurred from Local Funds General; but if not, there can be no objection to the cost of the work being met from Local Funds. The Deputy Commissioner is requested to explain the matter. Pending explanation, the provision made for the work will be struck out.

2. The amount sanctioned for works to be executed during 1893-94 thus amounts to Rs. 7,218 as shown in the accompanying detailed statement, of which an abstract is given hereunder:—

1	Chitaldroog...	Bellogatte ...	Sinking a drinking water well	Owing to the submergence of the present village by the restoration and enlargement of the Katharhal tank, a fresh site has been selected for removal of the village. A new well has to be sunk for the use of the inhabitants of the village in place of the one which will be submerged.	500	100	This work is necessary. The contribution promised by the raiyats will be in labor and materials.
2	Do ...	Kavadigarahatti ...	The restoration of an abandoned well or the construction of a new one ...	The want of water is much felt and has now to be brought from a distance of nearly half a mile.	300	50	There is pressing need for a well in this large and populous village.
3	Do ...	Bhimasamudra ...	Construction of a Gokatte.	The present village being very unhealthy, a fresh site has been selected for its removal and re-construction. A good drinking water well has been constructed on this new site by one of the inhabitants of the village. To supply the needs of cattle as well as for other than drinking purposes, a pond or Gokatte is necessary. The owner of a small Sagavalkatte has made a present of it for this purpose. It requires to be deepened and revetted and otherwise improved.	500	100	This work is necessary.

4	Do ...	Chitaldroog to Turvanur	Improvement of cart track.	The present cart track is in an unsatisfactory condition. It requires to be improved for the benefit of the villages lying along side of it as well as of the heavy traffic that passes over it.	1,500	500	This is an important cart track and is in great need of improvement.
5	Do ...	Chitaldroog ..	Bandy stand outside Municipal limits.	The present bandy stand is not only out of repair, but is also badly situated It stands in the way of the extension and improvement of Santepete and also makes that locality unhealthy. Its removal to a place outside Municipal limits is therefore necessary	800	..	Hundreds of carts pass through Chitaldroog on their way to and from Bellary and other places. It is for such carts that the proposed stand is intended Its early construction is desirable
6	Do ...	Kelagote ...	Park	The Public offices are situate in the village of Kelagote and far outside the limits of the Chitaldroog Municipality There is a large maidan all round these offices. It is overgrown with weeds and is unsightly in appearance It is proposed to clear the ground and level it and partly plant it up. This would be useful not only to the towns-people, but also to people from Taluks who resort to Public offices on business *For the latter* there is at present no shelter.	500	100	This is a work of pressing necessity. The town of Chitaldroog being partly interested in it, the Municipality is prepared to contribute Rs. 100 towards its cost. In addition to this contribution, a valuable piece of ground has been presented for the purpose by one of the leading inhabitants of Chitaldroog.
7	Holalkere ..	Pampapur ...	Repairing a Gokatte ...	This Gokatte being out of order, cattle and men suffer much for want of water	500	...	This is a useful work and should soon be undertaken
8	Do ..	Binjagondanahalli ...	A Mantapam for travellers.	This village is about 11 miles from Chitaldroog and is midway between that town and Holalkere. There is no accommodation for travellers here.	750	...	There is heavy traffic between Chitaldroog and Holalkere. The want of a halting place is much felt. There is at present no Musafarkana here A small mantap on the road side and within convenient distance of a good drinking water well which is now being repaired is necessary.
9	Hiriyur ...	Hiriyur to Dharampur.	Improvement of cart track.	Dharampur is the head-quarters of the Sammath There are several populous villages between it and Hiriyur. Heavy traffic passes over this track which is at present in an unsatisfactory condition.	1,000	...	This is a much used cart track and its early improvement is desirable.

10	Hiriyur ...	Gollarhatti ...	Restoration and improvement of an old well.	This village suffers much for want of good drinking water.	500	100	The well in question is out of repair and has become almost completely silted up. It is necessary to have it restored as early as possible.
11	Do ...	Javanagondanahalli.	Repairing a descending well.	This is a large well, but is very much out of repair. It is extensively resorted to by the inhabitants of this village.	400	...	This is a useful well and requires early repairs.
12	Jagalur ...	Huchingipur ...	Sinking a drinking water well.	The inhabitants of this village are badly off for water which is now procured with difficulty from a great distance.	250	...	Want of water being much felt, the excavation of the proposed well is necessary.
13	Davangere ...	Hunsekatte ...	Restoration of a well ...	There is an old descending well in this village. It contains good potable water. The revetment has completely collapsed and the well has become almost useless. Letter dated 7th December 1893, No. 1941—498, from the Deputy Commissioner of the Kolar District, stating with reference to Government Proceedings, dated 27th November 1893, No. 8482-4—L. F. 104-92, that costly stallions have been supplied to the several Districts for breeding purposes and their cost of maintenance is now paid from public funds and requesting the supply of one bull at least for each Taluk free of cost, the same being given to the charge of a respectable Patel for maintenance.

No. 12710-11—L. F. 104-92, DATED, BANGALORE, 26TH JANUARY 1894.

ORDER THEREON.—If the District Fund Board recommend the supply of a bull for each Taluk free of cost, the matter will be considered, but the cost must be borne from District Funds. Government will favorably consider any suggestions of the Board in regard to the reduction of the prices of bulls to be supplied by the Amrut Mahal Department.

GENERAL.

Proceedings of the Government of His Highness the Maharaja of Mysore, (General),—dated 3rd January 1894.

No. 10259-66—M. 6-90, DATED, BANGALORE, 3RD JANUARY 1894.

ORDER.—Lands included in a Block leased by the Government for mining purposes are either,

(A). Unoccupied Government lands (assessed or unassessed).

or (B). Occupied Government lands and minor Inam lands.

2. The occupation of (A) *unoccupied Government lands* is granted to the mining Lessee from the date of the lease; he is the registered occupant in respect of such lands and is liable to the regular payment of the Land Revenue due on them from the date of the lease.

3. As regards (B) *occupied Government lands and minor Inam lands*, the registered occupant or holder continues in full enjoyment of surface rights, notwithstanding the grant of mining rights to the mining Lessee and his obligation to pay the assessment or quit-rent also, continues in full force until the land is relinquished by him either absolutely or in favor of a specified individual. Until the mining Lessee acquires the surface rights (from the registered occupant or holder or from the Government in the case of an absolute relinquishment), he does not become responsible for the land revenue on such land.

4. From the statement of Demand, Collection and Balance of assessment on lands granted for mining purposes received from the Deputy Commissioners, it is observed that in most cases the whole of the assessment on all kinds of lands included within the Block is shown as uncollected. It is difficult to believe that the mining Lessee has in every case acquired all occupied or Inam lands in the dossession of others at the time of the lease, and it is therefore feared that either the revenue due on these lands has not been collected in the usual course from the registered occupant or holder, or if collected, has not been brought to account by the village officials.

5. Every Deputy Commissioner is accordingly requested to submit as quickly as possible, statements of the arrears of land revenue due in respect of each mining Block in his District in the accompanying forms Nos. 1, 2 and 3 in lieu of the Demand, Collection and Balance statements called for in Proceedings Camp No. 262-68—M. 6-90, dated 30th November 1893. The statements Nos. 1, 2 and 3 for each Block should be submitted as they are got ready and the statements for no Block in a District should remain unsubmitted by the 31st January 1894.

Chief Secretary.

Proceedings of the Government of His Highness the Maharaja of Mysore, (General),—dated 17th January 1894.

READ :—

Letter No. 4293, dated 24th February 1893, from the Comptroller in Mysore, submitting Report of his Chief Assistant on the audit of the accounts of the Mysore Government Press and Gazette Office for 15 months ending 30th June 1892.

No. 11924-5—G. F. 10-93, DATED, BANGALORE, 17TH JANUARY 1894.

ORDER THEREON.—The audit report received with the above discloses certain irregularities which call for attention.

2. In the first place, the books examined by the Auditor Mr. Barrow were the Cash and the Bill Books, no other books being maintained. There is not even a Stock Register of the Plant, Stores, Stationery, &c., in the Press. It is said that an Inventory is being taken of the machinery, &c. This should be soon finished and the Superintendent should prepare also a statement of the machinery, &c., received since the opening of the Press up to date from Invoices in his Office, compare this with the Inventory and report the result to Government with explanation for differences if any. No time should be lost in opening a regular Stock Register in the Press and Gazette Office in proper form.

3. It is reported that in the Piece Work Acquittance Book in many cases, the word "paid" is entered against those said to be illiterate without their mark being obtained for the payments made as is required. The Superintendent will, it is expected, give no room for such omissions as this hereafter. In cases in which the payees are illiterate their marks should be attested by a literate person, a fellow worker by preference, before whom payment is made.

4. The Auditor's examination of the Cash Book brings to light that out of the sums received by the Superintendent from April 1887 to January 1891, he retained in his possession no less a sum than Rs. 2,390—4—8 remitting only to the Treasury Rs. 915—1—4 from May 1887 to January 1891; and expending the balance of Rs. 1,475—3—4 on account of materials and wages, &c. This procedure is irregular and opposed to Codal Rules. The practice of sending only to Treasury the moneys received *less* cost of executing work is objectionable and should at once be discontinued. All moneys as they are received should invariably be remitted to the Treasury to be credited to the proper head of account. Expenditure should be incurred from grants obtained from time to time for the purpose in due and prescribed course.

5. It is observed that out of the value of private work done at the Press, a balance of Rs. 55—10—3 + 39—9—0 or Rs. 95—3—3 still remains uncollected. This should at once be recovered and duly credited.

6. On the date of the Auditor's examination, *viz.*, 30th January 1893, the Head Clerk, Government Press, who is in possession of the advance of Rs. 100 is said to have had a balance of Rs. 93 and odd and on his being asked to produce it, stated that it was in his house and produced it subsequently. In future, the Superintendent should keep charge of all advance money himself and advance on his own responsibility, only small sums to the Head Clerk for expenditure from time to time.

7. It has also been brought to notice that no receipts are granted to private parties for moneys remitted from the Moffusil for insertion of advertisements, the receipt on the Postal Order being considered sufficient. Government direct that proper receipts should be granted to all parties making remittances to the Press and Gazette. They should be on forms printed for the purpose and stitched together consecutively numbered with counterfoils in which the

particulars should be recorded for reference. The Register of subscriptions which is said to be badly kept should be properly maintained, a Ledger being opened out as pointed out by the Auditor to the Compiler.

8. The accounts of the Stationery Department have yet to be examined. Steps should be taken to have these audited without further delay.

Chief Secretary.

The Superintendent, Mysore Government Press.

No. 12085—G. F. 453-92, DATED, BANGALORE, 21ST JANUARY 1894.

ORDER.—The Government are pleased to direct that the following addition be made to Rule 4 of the Rules relating to remittances of money by Officers of the Mysore Local Service to their families in England, published in Proceedings No. 9946—G. F. 453-92, dated 23rd December 1893:—

Rule 4 A.—" The rule that family remittances at the privileged rate o exchange cannot be allowed to accumulate for more than one month must be adhered to, as otherwise inconvenience is caused to the Government account with Messrs. Coutts and Co. But if, owing to absence on tour, or other good cause shown to the satisfaction of the Comptroller, any Officer has been unable to make his family remittance during any one month or during two consecutive months, he may be allowed to remit the same with his remittance for the next month, subject to the prescribed maximum, certificate and other conditions."

Government Proceedings No. 13663-4—752, dated 29th February 1892.

No. 11991—G. 2595, DATED, BANGALORE, 21ST JANUARY 1894.

ORDER THEREON.—In the Proceedings above quoted, Government directed that the Khazana Bakshi, who had till then filled two functions—namely, those of a Treasurer and a Treasury Officer—should be a Treasury Officer, there being a separate Treasurer under him. The question has been under the consideration of Government, whether notwithstanding the separation of the functions as above, the Khazana Bakshi should continue to give security. In view of the facts that the great bulk of the Treasure is now deposited in the Madras Bank, that remittances as received from the Districts have to be sent to that Bank, and that especially the Treasurer is required to give a security of Rs. 20,000, the Government

are of opinion that there is now no object in requiring the Khazana Bakshi, who is a Treasury Officer, to give the large security of Rs. 50,000, and they are accordingly pleased to direct that no security need be demanded from him. The security given by the present Bakshi Mr. Virasami Mudaliar will therefore be returned to him.

2. The Khazana Bakshi is a Treasury Officer subordinate to and under the orders of the Comptroller in the same way as District Treasury Officers (*i. e.*, Deputy Commissioners in the Treasury Department), and the business of the Huzur Treasury should be conducted in strict accordance with the rules of the Account Code.

3. Whenever the Khazana Bakshi is allowed short leave of absence, and the Government do not appoint a successor to relieve him in the usual course, the Khazana Bakshi must hand over the Treasury keys, blank cheque books, &c., in his possession to the Comptroller, who will place the Treasurer from day to day in possession of funds within the limit of his security and otherwise be responsible for Treasury transactions as Deputy Commissioners of Districts are during the short absence of Treasury Assistant Commissioners. The Comptroller may for the purpose of any temporary arrangement as above specially depute his Assistant if he thinks fit.

4. Clause 10, para 3, of the orders of Government No. 13663-4—752, dated, Bangalore, 29th February 1892, regarding the monthly inspection of the Huzur Treasury will be altered as follows:—

(10.) "On the first working day in every month, the Huzur Treasury should be inspected by an Officer deputed by the Dewan. This Officer should submit to the Dewan his Inspection Report in the prescribed form. In the absence of such special deputation by the Dewan, the inspection shall be done and be duly reported by the Comptroller, or under his orders, by the Assistant Comptroller, provided that the Comptroller shall hold the monthly inspection at least once in three months."

5. The Comptroller as Superintendent of Stamps and the Khazana Bakshi as Deputy Superintendent of Stamps, should be in charge of all work connected with the Stamp Department. The Superintendent should divide the work between himself and the Deputy Superintendent in any way he considers fit for the time being.

6. The entire records connected with Pallegar pensions should be in one place and the Khazana Bakshi should have them and answer questions asked by Government or submit reports whenever required.

T. ANANDA ROW,
Chief Secretary.

To—The Comptroller to the Government of Mysore, for information and communication to the Khazana Bakshi.

The following letter and its enclosure, dated 6th July 1893, from Mr. C. Subba Rao, Retired Deputy Commissioner, Mysore, to Sir K. Sheshadri Iyer, K. C. S. I., Dewan of Mysore.

I have the honor to state that as I consider that granting scholarships in Mysore for encouraging the study of English and thereby the study of Modern Literature, Science and Religion by men who are already proficients in Sanskrit would afford a useful stimulus to the cultivation of the ancient literature and to the development of good taste and refinement in this Province, I beg to offer to His Highness the Maharaja's Government a sum of Rs. (10,000) ten thousand. I shall feel much obliged if you will be kind enough to accept this sum to be paid in two instalments and order the same to be deposited in the said Government Treasury at 5 per cent interest in the name of the charity, and that its interest be applied to the carrying out of the above object as per rules of which a rough draft is hereunder annexed.

Proceedings of the Government of His Highness the Maharaja of Mysore, (General),—dated 27th January 1894.

DRAFT RULES.

Scholarships for Scholars with a high proficiency in Sanskrit wishing to study English.

1. *Qualification.*—Sanskrit proficiency according to the prescribed standard for a first class proficiency certificate from the Mysore Sanskrit College in Sahitya or any special Shastra or any equivalent standard.

2. Preference in awarding scholarships to be given to Hindus of Mysore and Southern India.

3. *Number of Scholarships.*—Three at any one time.

4. *Amount of Scholarships.*—One at Rs. 8 per month (or Rs. 10 if the scholar is a proficient in any special Shastra, such as Tharka, Vyakarana or Vedanta) to a scholar studying for the Matriculation Examination.

One at Rs. 12 a month for a Matriculate studying for the F. A. Examination.

One at Rs. 15 a month for an F. A. studying for the B. A. Degree Examination.

Provided that when a scholar entitled to either a Rs. 12 or 15 scholarship is not forthcoming, the number of scholarships on Rs. 8 or 10 may be correspondingly increased.

5. A new candidate to be granted a scholarship only when one becomes vacant.

6. When there are two or more candidates with the same number of marks and qualifications for a scholarship, the Committee of Trustees should decide with reference to their (candidates') circumstances in life and conduct &c., which of them is to receive the Scholarship.

7. Continuance of a scholarship is conditional upon good progress as evidenced by periodical Examinations or special reports of the Principal of the Institution in which the scholar prosecutes his studies.

8. Scholarships will ordinarily be tenable in Mysore or Bangalore Colleges, but in exceptional cases they may be allowed to be held in any College preparing for the Madras University Examinations.

9. The above charity to be eventually managed by a Committee of Trustees composed of:—

1. The Dharmadhikaris or other Pandits managing the Mysore Sanskrit College,

2. The Muzarayi Superintendent,

3. The Education Secretary,

and 4. The Principal of the Maharaja's English College, Mysore.

10. In case of any of the offices above named ceasing to be in existence, I or the eldest member of my family to appoint others as Trustees, and failing such appointment for six months, His Highness to appoint.

11. A sum of Rupees ten thousand (Rs. 10,000) the fund for the charity, to be deposited with the Mysore Government at 5 per cent interest in the name of the charity, and to be operated upon by the Trustees. The annual savings of the fund, if any, to be added to the principal.

12. The Committee of Trustees to have power (in consultation with me during my life time and always subject to the sanction of His Highness' Government) to alter the number, terms or amounts of scholarships if necessary, so as to advance the object I have in view, namely, to encourage the study of English and thereby the study of Modern Literature, Science and Religion by men who are already proficients in the Ancient Sanskrit Literature.

13. I or any of my descendants may at any time augment the fund alluded to above, in order to raise the number, terms or amounts of the scholarships, or to utilize the surplus of its interest for promoting the object of this charity.

No. 12217-22—G. F. 59-93, DATED, BANGALORE, 27TH JANUARY 1894.

ORDER THEREON.—The best thanks of the Government are due to Mr. C. Subba Rao for the liberal offer made in his letter above quoted, to found certain scholarships for the special encouragement of English education among classes who have hitherto confined their exclusive attention to the study of Sanskrit. The Government have much pleasure in accepting his offer. The draft rules submitted by him for the management of the fund and the award of scholarships are approved, with the reservation that he may hereafter propose for the orders of Government any modification he may consider desirable.

2. The interest on the fund, at the favorable rate of 5 per cent per annum, which the Government give in such cases, will amount to Rs. 500 per annum, equivalent to Rs. 41—10—8 per mensem, and it may perhaps be desirable hereafter to add a fourth scholarship. This point will be reserved for further consideration if Mr. Subba Rao desires.

3. The Officers named in the margin will be requested to form themselves into a Board of Trustees, together with Mr. Subba Rao, to carry out the object of this charitable foundation in the most effective manner possible, so as fully to carry out the highly laudable object which he has in view.

1. The Dharmadhikaris or other Pandits managing the Mysore Sanskrit College.
2. The Muzarayi Superintendent.
3. The Education Secretary.
and 4. The Principal of the Maharaja's English College, Mysore.

Petition from the villagers of Chikkahonnenahalli, Hassan Taluk, praying for the grant of an Inam for the maintenance of the Pagoda built there.

No. 11532-41—PET. 1097, DATED, BANGALORE, 14TH JANUARY 1894.

ORDER THEREON.—When houses are newly built in Bechirakh villages or new villages formed, and when the revenue derived from the villages is considerable, Government will be prepared to grant Inams for the village servants and the maintenance of Pagodas therein built, on a moderate scale. The Deputy Commissioner of Hassan is requested to report (1) how many houses there are in the village under notice, (2) the area and assessment of lands available for cultivation, (3) the area and assessment of lands now under occupation, (4) the area of gomal land, (5) the cost of the temple newly built therein, (6) the existing emoluments of the village servants, if any, and (7) what grant for the temple and village servants would be fair.

2. Government also consider that the assessment of all Pagoda and charitable Inams resumed for the non-performance of service, should be credited to the Muzarayi Funds, in view to their being appropriated for any new grants made. The Muzarayi Superintendent is requested to make enquiries and report, the area and assessment of all religious and charitable Inams resumed within the last 12 years in each District.

No. 741-50—Muz. F. 60-93, dated, Bangalore, 16th January 1894.

Order.—The Government resolve to re-publish for general information the following Notification of the late Chief Commissioner embodying the rules sanctioned by the Government of India on the subject of unauthorized alienations of Inam lands assigned to religious and charitable institutions.

A. SREENIVASSACHARLU,
Secretary.

To—The Deputy Commissioners of Districts.
The Palace Controller, Mysore.
The Inam Superintendent in Mysore.

NOTIFICATION.

The 17th November 1877.

No. 236.—Under the sanction of the Government of India, conveyed in their letters Nos. 89 R. and 105 R., dated 13th September and 29th October 1877, respectively, the following rules providing for the restoration of Inam lands unauthorizedly alienated from the religious or charitable institutions to which they were originally assigned, are published for general information:—

I. All Inam lands granted to religious and charitable institutions, and for the maintenance of persons rendering service therein, will be confirmed and continued to them, so long as the conditions of the grant are duly fulfilled.

II. Whenever it is found that such lands are diverted from the object for which they were granted, by means of sale, gift, mortgage or otherwise, the following rules shall be observed:—

A. Where such alienations were made prior to the 31st January 1853 but within 60 years computing the period of possession up to 14th December 1867, the lands or villages so alienated will, if not restored voluntarily by the holder, be confirmed and subjected to a jodi of one-half the assessment; the jodi or assessment so imposed being payable direct to the institution from which they were alienated.

B. In the case of alienations made subsequent to 31st January 1853, a notice will be issued to the alienee or alienees requiring him or them to restore the lands to the institution to which they belong, within 6 months from the date on which the notice is served on the alienee or alienees, or his or their agent or manager who may be in charge of the lands, and on default of compliance, the lands will be summarily resumed and restored to the institution by the Revenue authorities under instructions from the Inam Superintendent.

C. In the case of a simple mortgage or hypothecation of the Inam lands, without possession, the transaction will be declared null and void in so far as it is intended to create a lien on the lands or to treat them as security for the loan advanced.

III. Lands held for 50 years and upwards, with or without titles, computing the period of possession up to 14th December 1867, will be confirmed to the holders on the terms prescribed in the Land Inam Rules, and will not be included in the title-deed granted by the Inam Department to the religious institutions.

IV. The alienations, whether made in favor of disciples of the institutions or others unconnected with it, will be treated alike, and disposed of under these rules.

EDUCATION.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Educational),—dated 25th January 1894.

C. No. 278–93, dated $\frac{25}{29}$th January 1894.

Order.—By Proceedings No. 696, Educational, dated the 9th June 1884, the Head Masters and Assistant Masters of Colleges and High Schools were graded and placed in five classes for which the minimum and maximum salaries with periodical increments were fixed. The grading of masters has rendered the Educational service more popular than before and produced highly beneficial results. With a view to give adequate encouragement to deserving Head Masters and Assistant Masters who have worked satisfactorily for a series of years, Government is of opinion that their classification and the salaries and increments fixed for them should be revised and the higher educational service in Mysore should be placed on a level with the corresponding service in the British Provinces.

2. The Principals, Professors, Assistant Professors and Assistant Masters of Colleges and the Head Masters and Assistant Masters of the District High Schools will be graded in the following classes with effect from the 1st February 1894:—

A.—Superior Officers.

I Class, Rs. 700 rising to Rs. 1,000 by annual increments of Rs. 50.
II Class, Rs. 400 rising to Rs. 700 by annual increments of Rs. 50.

B.—Head Masters of Second Grade Colleges and Professors and Assistant Professors of First Grade Colleges.

I Class, Rs. 300 rising to Rs. 450 by annual increments of Rs. 15.
II Class, Rs. 150 rising to Rs. 300 by annual increments of Rs. 15.

C.—Head Masters of High Schools, Upper Assistant Masters of Colleges and High Schools and Deputy Inspectors of Schools.

I Class, Rs. 200 rising to Rs. 300 by annual increments of Rs. 10
II Class, Rs. 100 rising to Rs. 200 by annual increments of Rs. 10.
III Class, Rs. 50 rising to Rs. 100 by biennial increments of Rs. 10.

D.—Lower Assistant Masters of High Schools.

I Class, Rs. 30 rising to Rs. 50 by biennial increments of Rs. 4.
II Class, Rs. 15 rising to Rs. 30 by biennial increments of Rs. 3.

3. The Head Master, Shimoga College, will be placed in B Class I. Mr. T. R. Venkatasami Naidu, B. A., and Mr. M. T. Narnaiyangar, M. A., who have satisfactorily performed the work of Assistant Professors of Mathematics in the Central College will be placed in B Class II.

4. All Head Masters and Upper Assistant Masters drawing Rs. 200 or more on the 1st January 1894 will be placed in Class C I. All Masters belonging to the present II Class drawing less than Rs. 200 will be placed in the new Class C II. All Assistant Masters drawing Rs. 100 or more on the date of this order will be entitled on reaching a salary of Rs. 200 to be placed in Class C I, provided they have given satisfaction by their work. All masters of the present III Class, will be placed in Class C III.

5. The Assistant Masters of the present IV Class will be placed in the new Class D I. The Assistant Masters of the old V Class will be placed in the new Class D II.

6. The first increment under the new scale will be given from the 1st February 1894 to those Masters who have reached the maximum pay of their class according to the old scale for the past two years or more. The salaries of the other masters will rise in the usual course by increments sanctioned in the new scale.

7. The salaries of masters in Classes IV and V of the old scale will be altered from 1st February 1894 to suit the increments of Classes D I and II of the new scale.

8. None but Graduates will be appointed to places in Class C III and hig classes. Promotion to a higher class will be given on a consideration of merit well as seniority. Increments in the same class cannot be claimed as of right mere length of service but will be sanctioned only on the ground of satisfact work done.

9. Government attaches great importance to the work of inspecting the M dle and Primary Schools. For the encouragement of the Inspection Branch of Educational service, Government is pleased to sanction the following classificat and salaries of Inspecting Officers which correspond with those of Officers in Tutorial Branch :—

Deputy Inspectors.

First Grade. (to be included in Class C I). Rs. 200 rising to Rs. 300 by annual increments of Rs. 10.

Second Grade. (to be included in Class C II), Rs. 100 rising to Rs. 200 by annual increments of Rs. 10.

Third Grade. (to be included in Class C III). Rs. 100.

The three Assistant Deputy Inspectors will be paid Rs. 50 rising to Rs. by annual increments of Rs. 5, and included in Class C III. Mr. M. Srinv Rao, B. A., who is in the present First Grade of Deputy Inspectors (Rs. 150 ris to Rs. 240) will be placed in the new second Grade, but will be entitled on re ing a salary of Rs. 200 to be placed in the new First Grade provided he has gi satisfaction by his work.

10. Promotion to a higher class in the case of Inspecting Officers will given only by merit. Increments of pay within the same class will be sanctic if the work done is satisfactory.

11. The revised gradation lists of Officers in the Tutorial and Inspec Branches of the Educational Service showing their class and salary are appended

12. The total monthly increase owing to the revision ordered above is Rs. Deducting savings (Rs. 160, pay of Mr. C. Subba Rao, B. A., deceased, and Rs pay of Mr. K. Narnaiengar, B. A, transferred to the Normal School), the monthly increase is Rs. 266 Of this sum, however, Rs. 200 would have l earned as increments within the next few months under the existing scale, the crease due to the revision being reduced by that amount.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Education),—dated 24th January 1894.

C. No. 197—271, DATED, BANGALORE, 24TH JANUARY 1894.

ORDER.—A conference of Head Masters was held at the instance of Government on the 23rd November 1891 to discuss the subject of raising the rates of fees levied in English Schools and prescribing the highest number of scholarships, free and half-free studentships. The consideration of the draft rules agreed upon by the conference has been deferred till now on account of the scarcity that prevailed in 1891 and 1892. Government is of opinion that with the recurrence of prosperous years the slightly enhanced rates of fees suggested by the conference may now be adopted in English Schools. It is necessary at the same time to raise the present low rate of fee levied in Taluk Vernacular Schools and to allow a certain percentage of free and half-free studentships in the IV and V Vernacular classes. The following rules which embrace both the English and the Taluk Vernacular Schools shall come into force from the 1st February 1894.

Rules regarding fees and free studentships in Government, Municipal and Aided Schools.

1. Monthly fees shall be levied in all Government, Municipal and Aided Schools except the Hobli and Girls' Schools which shall continue to be free Schools.

2. The latest day for the payment of the monthly fee shall be the 15th or if the 15th happens to be a holiday the first school day after the 15th. If a pupil fail to pay his fee on the latest day fixed for payment a fine may be imposed at the discretion of the Head Master not exceeding two annas for each rupee of fee due in an Anglo-Vernacular School and not exceeding half an anna in a Vernacular School. If the fee together with the fine, if any is imposed, be not paid within ten days from the last day fixed for payment, the pupil's name shall be struck off the rolls. If he is re-admitted he shall in addition to the fee due on the last day of payment pay a fresh admission fee.

3. Free studentships and half-free studentships shall be given only to those who deserve to hold them both on account of poverty and of merit.

4. The number of scholarships and free and half-free studentships together shall not exceed twenty per cent of the average monthly attendance in the Anglo-Vernacular Middle and High School classes.

5. The following shall be the minimum rates of monthly fees in the English Schools for boys:—

HIGH SCHOOLS.

	Rs.
VI Form	2
V Form	2
IV Form	1½

MIDDLE SCHOOLS.

	Rs.	A.	P.
V A. V. Class or III Form	1	4	0
IV A. V. Class or II Form	1	0	0
III A. V. Class or I Form	0	12	0
II A. V. Class	0	8	0
I A. V. Class	0	6	0

6. The following shall be the minimum rates of fees in all Taluk Vernacular Schools for boys:—

Classes V, IV, III and II	2 annas.
Class I and Infant classes	1 anna.

7. No free or half-free studentships shall be granted in classes below the IV in Taluk Government, Municipal and Aided Vernacular Schools. The number of free and half-free studentships allowed in the IV and V classes shall not exceed twenty per cent of the average monthly attendance.

8. In the Taluk Branch Schools maintained entirely from the Local Funds the present uniform fee of one anna for every class will be continued until further orders.

9. In the towns of Bangalore and Mysore it will be open to the Head Masters of Aided and Municipal Schools to levy by mutual agreement higher rates of fees for vernacular instruction than those prescribed in Rule 6, and when such agreement is arrived at the higher rates of fees shall be adopted in the Government Schools also.

10. The rates of fee for Muhammadan boys in all Government Schools shall be half the usual rates.

H. J. BHABHA,
Secretary.

To—The Head Masters of Government, Municipal and Aided Schools.
The Deputy and Assistant Deputy Inspectors of Schools.

C. No. 178—96, DATED 24TH JANUARY 1894.

ORDER.—On more than one occasion Government has been pleased to invite the Revenue and Judicial Officers to co-operate with the inspecting officers of the Education Department in the spread and improvement of education within their district. Government is glad that valuable assistance has been rendered in the past by these officers. The work of the Educational officers has however so much grown of late, and they have so many schools in their charge, that it is difficult for them to pay more than the annual visit for inspection and examination to most of the village schools situated in remote parts of their district. The time has now come when the co-operation so willingly given hitherto by Revenue Officers may be directed to a few definite objects.

2. It is not necessary that Revenue Officers should examine the pupils every time they visit a school. It is sufficient if, Deputy Commissioners, Assistant Commissioners, Amildars and Taluk Sheristadars would make it a point to visit village schools, when they happen to be in their neighbourhood, for the purpose of noting the number of pupils in attendance as compared with the number on the roll, the cleanliness and ventilation of the school house, the sufficiency of accommodation, the discipline, and the interest taken by the school committee in the welfare of the school. They may test the progress in studies since the last departmental inspection if they can afford the time. A comparison of the number in actual attendance with the number on the roll and the need of explanation on the part of the master when there is considerable discrepancy afford a wholesome check against the falsification of attendance registers.

3. Amildars have been asked to help the Deputy Inspectors in selecting the members of the village school committees by Order C. No. 323—41, Educational, dated 29th May 1893. They can also help the department by recommending the opening of new schools in large villages, where the people desire to have a school, and by inducing the people to provide or improve the accommodation for the existing village schools.

4. All officers visiting a school are expected to enter their remarks in the visitors' book, a copy of which shall be forwarded by the Headmaster or Master of the school to the Deputy Inspector of Schools immediately after the visit. The Deputy Inspector of each district shall include in his annual report a statement showing the number of visits paid by Revenue Officers to schools in his district. The Headmaster or Master of every Middle or Primary School shall state the number of such visits in a special column of the Annual Return of attendance.

H. J. BHABHA,
Education Secretary.

To—The Deputy Commissioners of Districts.
The Deputy and Assistant Deputy Inspectors of Schools.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Educational),—dated 23rd January 1894.

C. No. 171—77, DATED 23RD JANUARY 1894.

ORDER.—In connection with the Government Normal School, the need has been felt of a Hindu Students' Home in Mysore. Government is pleased to sanction the establishment of the Home as an experimental measure under the management of a Committee consisting of the following gentlemen:—

Mr. M. Venkatakrishnaiya.
" K. Naranaiengar, B. A.
" K. Venkataswami Iyer, B. A.
" T. Armugam Mudaliar, M. B., C. M.

A spacious house will be rented, and two peons and a sweeper will be employed at an aggregate cost not exceeding Rs. 50 a month, which will be paid from the general savings of the Village School Fund Budget until the 30th June 1894 or further orders. A sum not exceeding Rs. 300 will be paid from the general savings of the same budget for the purchase of the necessary cooking utensils and furniture for the home. All other expenses of servants, feeding, lighting, &c., will be met from the monthly fees paid in advance for boarding and lodging by the students. Dr. Armugam Mudaliar will kindly look after the sanitary arrangements of the home and give medical aid to the inmates.

The members of the Managing Committee will be in the position of parents to the boarders to whom they will give every necessary advice and help. The Managing Committee may entrust any portion of duties relating to the internal economy of the home to a special Committee chosen from the boarders. All rules made by the Managing Committee for the internal management of the home will be subject to the approval of the Education Secretary. One of the members of the Managing Committee will be good enough to sleep in the home by turns until a paid Superintendent can be employed. If the available accommodation is not wholly taken up by the Hindu students of the Government Normal School, the students of the Maharaja's College may be admitted into the home. Applications for admission to the home should be made to Mr. K. Naranaiengar, B. A., Head Master of the Government Normal School, Mysore.

H. J. BHABHA,
Education Secretary.

To—The Comptroller.
The Members of the Managing Committee of the Students' Home.
Mr. D. Subbaiya, B. A.
The Head Master, Maharaja's College, Mysore.

C. No. 275—77, DATED 30TH JANUARY 1894.

ORDER.—Mr. R. Narasimhachar, M. A., Assistant Master, Maharaja's College, Mysore, is appointed Kanarese Translator to the Education Department on Rs. 150 a month, in Grade C, Class II of Educational Officers, with effect from the 1st February 1894, but will continue to act as Assistant Master of the Maharaja's College until he is relieved. His duties as Kanarese Translator will chiefly be to translate English School Books and other English Books, to revise existing text-books and write new text-books under the direction of the Education Secretary, to report on manuscript and printed books received for patronage, to review new publications and new editions, registered by the Curator of the Government Library and to pass through the Press all educational works. He will also occasionally help other departments in the work of translation.

H. J. BHABHA,
Education Secretary.

To—The Comptroller.
The Principal, Maharaja's College, Mysore.

1. Government Proceedings No. 2802—33, dated 23rd July 1884.
2. Do do No. 1241—72, dated 31st March 1887.
3. Do do No. 2605—510, dated 7th June 1888.

No. 349-84—45-80, DATED, BANGALORE, 25TH JANUARY 1894.

ORDER THEREON.—In supersession of the above quoted orders regarding the levying of rents on Government buildings occupied as residences and the maintenance and improvement of such buildings, the following modified rules are promulgated for strict observance in future.

2. The amount of rent to be paid per mensem by all *Government officials* (except those specially exempted) for the occupancy of any public building will be at the rate of 3 per cent on the monthly salary of the official. This amount will be as follows, every fraction of a rupee less than half a rupee being taken as half a rupee in the results arrived at in calculating the percentages :—

	Rent. Rs.
On a salary of Rs. 15 at 3 per cent	½
Do 20	1
Do 30	1
Do 40	1½
Do 50	1½
Do 120	4
Do 620	19
Do 750	22½
Do 1,000	30

Salaries intermediate between the above to be calculated on the same principle. No rent to be charged to those in receipt of salaries under Rs. 15.

3. No rent will be charged—

1st to officers whose residence within or in close proximity to, the premises of the institution in which they are employed, is considered by Government to be necessary, and who have been provided with an official residence with this object;

2nd to an officer entitled to a free house as a part of his official emoluments in accordance with an order of Government. A "free house" does not include any of the furniture required for it.

4. The amount of rent to be paid per mensem by any *private person* for the occupancy of a Government building will be fixed in each case by the Public Works Secretary to Government, at ½ per cent on the original cost or present value of the building, as shown in the Registers, subject to the minimum limit of Rs. 2.

N. B.—A proportionate reduction to be made in the event of only a part of the building being occupied.

5. The collection of *all* rents paid for the occupancy of Government buildings *except Travellers' Bungalows*, will rest with the Public Works Department, to which they will be credited.

6. The payment of all Municipal or other taxes to rest, as at present, with the Public Works Department.

7. The custody of *all* unoccupied buildings will rest with the Revenue Department, which will be held responsible for all wanton damage which may happen to them while in its charge. Watchmen should be employed at Government cost only when a building is vacant.

8. The work to be done to such buildings by the Public Works Department will be confined to what is necessary (1) for the stability of the building (2) to prevent deterioration of or leakage through the roofs (3) to what may be required for proper sanitation, and (4) in exceptional cases, to providing the minimum accommodation (where it does not already exist) for a house-hold of the nationality to which the officer belongs.

9. All other additions, alterations or repairs (including white and color washing) must be carried out by the tenants who will be held responsible for the condition of the buildings they occupy and who on vacating are bound to hand over the same in clean and proper order.

10. Improvements or alterations proposed by tenants can only be made by them with the express approval of the Executive Engineer, who is at liberty to assist them in the execution or designing of such work, or to carry out himself the improvements or alterations necessary as well as all necessary periodical repairs, recovering the cost beforehand from the tenants.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Public Works),—dated 26th January 1894.

READ :—

The following Memo by Chief Engineer of Mysore, dated 25th November 1893, on Sanitary Works Budget for 1893-94 —

I submit herewith for favor of early sanction, the Sanitary Works Budget for 1893-94 revised by the Sanitary Engineer in accordance with Government Proceedings No. 4568-71—G. 1074 of 9th September 1893. It amounts to Rs 2,77,300 and it is based on the following grants —

			Rs.
(1).	Grant sanctioned for Mysore Water-supply Project in Government Proceedings No 4975-7—R. 516, dated 18th September 1893		1,50,000
(2).	Grant-in-aid...	Rs 50,000	
	Recoverable loan to Municipalities as fixed in Government Proceedings No. 1925-29—320-24, dated 6th May 1893, para 7	Rs. 50,000	1,00,000
(3)	Grant for Closepet Water-supply Works sanctioned in Government Proceedings No 15301-3—L F. 108-92, dated 20th March 1893		10,000
(4)	For incomplete works of 1892-93 Items 1, 5 and 6 of para I including Rs. 4.000 provided under Reserve Minor Works		17,300
			2,77,300

2. PART I.—The allotments provided for works to be carried out from special grants from Provincial Funds aggregate Rs. 1,77,300, of which Rs. 17,300 is for works already in progress and Rs. 1,60,000 for the Water-supply of Mysore and Closepet towns. The distribution of water for the Petta from the Hessarghatta Tank ordered to be carried out by Mr. Standish Lee has been entered in the Budget without any provision, but the money required therefor will be applied for when submitting the project for sanction of Government. A separate grant of 1½ or 2 lakhs will probably be required for this year

3. The Sanitary Engineer brings forward, in consultation with Deputy Commissioners, 17 works to be provided for from the ordinary grant of one lakh. Their allotments aggregate Rs 64,000, leaving Rs. 36.000 available for Establishment and Tools and Plant.

4. The charges on account of Establishment amount to Rs. 35.000. It will be seen from the detail budget that provision has been made for the Establishments required for the Sanitary Engineer and for Mr. Mahadeva Sastri, who will be put in charge of the Mysore Special Water-supply Division, also for the Establishment required by those Officers. Provision has also been made for the Establishment required in connection with Bangalore Water-supply Distribution Works.

5. PART II.—The Sanitary Engineer reports that this part of the Budget cannot be compiled by him, until the sanction of Government, in General Department, to the several Municipal Budgets is communicated to him. He has been asked to arrange with the several Municipalities for their budgets being sent in in time in future for incorporation with the Sanitary Budget.

6. PART III.—There is only one work in this budget, *i. e*, Chikmagalur Water-supply, the revised estimate for which is under disposal with Government. An outlay of Rs. 62,874 has already been incurred up to end of June last, and the balance of the revised estimate may be appropriated from Local Fund General, from which source, an allotment of Rs. 40,000 was sanctioned for the work in Proceedings No. 9367-9—199-L. 46, dated 21st November 1890.

No. 402-25—89-112, DATED, BANGALORE, 26TH JANUARY 1894.

ORDER THEREON.—The Budget estimate (Parts I and III) for Sanitary works submitted by the Chief Engineer is sanctioned.

2. The question of funds for the Chikmagalur Water-supply has been disposed of by Government in the General Department in Proceedings No. 11751-3—L. F. 244-92, dated 22nd idem.

"By Order,"
